

## ART AND NATURE AT PIANPICOLLO SELVATICO

TRAVEL PROGRAM from 3rd to 6th October 2019

### Thursday 3rd October

Arrival in Pianpicollo in the afternoon and accommodation in the room.

Then there will be a welcome dinner with Alice Benessia and the artist Attila Faravelli.

### Friday 4th October

In the morning: Introducing the artist and activities, followed by a walk and a *sound exploration* around Pianpicollo.

In the afternoon: Shared listening workshop of the sounds recorded during the morning activity, followed by reflection and discussion on the different possible ways of listening in our everyday life.

In the evening: Turning on of the historic Langa stone oven and preparation of the pizza to be shared.

### Sabato 5 Ottobre

In the morning: Attila Faravelli introduces his project Aural Tools. These simple tools, designed and created by the artist, will be distributed to participants and used by them to explore the small architectural structure of the church of Santa Lucia and the places adjacent to it, where they will arrive with a short and pleasant walk (3 km).

Picnic with a selection of typical food products from Alta Langa at the environmental installation Vitalba Deck created by the artists Andrea Caretto and Raffaella Spagna.

In the afternoon: Shared listening workshop of the sounds recorded during the morning activity, followed by reflection on the relationship between sound, space and body.

In the evening: Dinner at a local restaurant (optional).

### Domenica 6 Ottobre

In the morning: Final considerations with the artists, evaluation of the experience and leisure time to spend in nature.  
Leaving after joint lunch.

\* There may be some limited changes from what has been indicated for a better success of the course or adaptations to the needs of the participants.

\*\* We recommend comfortable clothing and shoes suitable for walking on lawns and paths.
