

## **ART AND NATURE AT PIANPICOLLO SELVATICO**

### **INFORMATION**

#### **How to reach Pianpicollo**

- **By car:** the address is Cascina Pianpicollo Selvatico, Regione Santa Lucia 16 - 12070 Levice. The exact coordinates on Google Maps are 44.51442, 8.166194.
- **By train:** from Torino Porta Nuova station you can take the regional train to Ventimiglia and get off at Cengio station. If you agree before leaving with the organizers, a free transfer will be available from Cengio station to Pianpicollo.

#### **Accommodation**

The accommodation is in single, double and quadruple rooms made of natural materials.

Pianpicollo has been carefully restored, with a strong investment, combining traditional knowledge and new technologies. An excellent model.

The rooms are immersed in silence; the altitude of the hill (750m) and the thermal insulation of the stone ensure cool and restful nights even in the summer.

A free wi-fi network is available in all rooms.

#### **The surroundings**

The walks laid down by the program will take place in the enchanting surroundings of Pianpicollo. They are easy, safe and suitable for everyone. All you need is the right attitude and the right pair of shoes. Following Alice's suggestions, the most curious will be able to explore new paths on their own in their free time.
